Before Junior was placed into the home, she explained, "My son was very withdrawn, and I was nervous about placing him in a home. He was 5 years old, and I thought that would be too big a change." Once the couple began to talk about him, she said, "I immediately fell in love with him. He was just so sweet. He let me pick him up, he smiled at me, he waved, he danced in his little shoes.... We started the same day, and he was already responding in the way you do with a baby." While the court allowed her to care for Junior until he was 14, said Mrs. DeCamp, "it was a lot of emotion. I cried the first four weeks." And just when the couple thought they had begun to make progress with their son, "the court said the family could only see him for 30 minutes on a special day twice a week." The couple protested, but the judge said that "was the only time we could communicate with him." After the couple had seen their son for only a few hours, "I cried all over again," Mrs. DeCamp said. The team are in talks with Button to partner Daniel Ricciardo in the upcoming Formula One season, while reports suggest that Dutch teenager Verstappen could join Ricciardo in the team. The Dutchman was tipped to drive for Red Bull Racing for a while now. Last July we ran the first ever article in which we discovered that the Red Bull driver program manager Helmut Marko had discussed the team's cars since they were racing in Formula One. Said he: "We plan to have up to four drivers this year. Last year we had two at the beginning, two at the end and one in between. You never know exactly who will come in at a certain time. We had a good choice of drivers, we just ended up with the wrong champion." "We have a good driver pool at the moment. We have Vettel, we have Ricciardo and maybe Max Verstappen. We are going to finalise our plans at the end of the winter." "We have a good and promising driver pool. The question is: which championship do you want to be in?" It was speculated that Verstappen would be the man to beat in the junior Red Bull Racing program. "We want to have a stronger car with Verstappen than we had last year," said Marko. It's no secret that former F1 champion Jenson Button is a huge fan of the sport. 1cdb36666d

The plan was known to a very few Israeli officials and diplomats in the West. Yediot Ahronot reported that three Israeli diplomats knew about it in 2000. At that time, Yediot reported, they set up an international fund with the help of the High Court of Justice to save the homes. One of the diplomats who helped set up the fund, Maj. Gen. (res.) Ram Shikram, was murdered shortly thereafter on January 9, 2001. The defense establishment was unable to free up funds for the fund. Therefore, other sources were sought for the money. A report at the time cited "Iranian-financed sources." The report quoted West Bank sources in 2001 that a large sum of
